Dear Mr. Nehra:

On behalf of Michigan Opera Theatre, thank you so much for participating in the Opera House's 3rd annual Haunted In The House Party on October 28, 2011.

Thanks to you, this year's scary celebration resulted in close to \$30,000 for the Detroit Opera House and Michigan Opera Theatre. The funds raised will help the Opera House remain a viable institution in our great city and further our mission of bringing Opera and Dance to everyone.

We truly appreciate your donation of delicious food for the VIP room for 2 ½ hours and the fantastic pumpkins that lined the entrance to the VIP entry way. They looked really great all lit up and were very creatively carved. Very nice job! The party was truly a success because of Lakeland Banquet and Event Center.

Thank you for making our Haunted House the best in the City! We hope to be able to work together next year.

Warm regards,

David DiChiera
General Director

To Whom It May Concern:

I write this letter in support of Lakeland Manor, their menu, their staff and their attention to detail. Lakeland Manor has been the exclusive provider of professional catering services for the Royal Oak Music Theatre for nearly 9 years and has done so with a paramount level of professionalism, courtesy and dedication to the satisfaction of our patrons and rental customers.

The Royal Oak Music Theatre not only produces eclectic concerts, comedy and sporting events, we also commonly rent the theatre to clients for weddings, bat and bar mitzvahs, corporate events, company parties and professional networking events. It is within the confines of these types of events where Lakeland Manor's drive to satisfy to the needs of our clients has been unparalleled.

A good portion of our business relies on the fact that we can provide professional catering services to our guests. Weddings and Mitzvah's absolutely depend on the service. Lakeland Manor has never disappointed our customers and commonly exceeds what one would expect from a typical catering company. Without professional catering the Royal Oak Music Theatre could not operate within its current business plan. We have entrusted Lakeland Manor with this vital service to our customers for nearly a decade and that is a decision that to this day, we're quite pleased with.

Sincerely,

Justin Miller
